Name: Ken Ivory

Office: Utah House of Representatives

District: 47

E-mail address: voteivory@gmail.com

Website: www.voteivory.com

Age: 47

Occupation: Small business attorney/mediator

Residence: 8393 S. 2010 West, West Jordan

Years at residence: 11 years

Qualifications: I have four children and cannot bear the thought of kicking the tremendous challenges we face down the road. Demographically speaking, Utah is not like any other state. It's not even close. Therefore, we must fund and administer education unlike anyone else in order to capitalize on our greatest resource: the youngest population per capita in the nation in the midst of an aging baby-boomer generation. We need to remove the financial and regulatory "handcuffs" on our principals and teachers so that they, together with parents, can effectively educate those unique children that they know best and love most.

We must grow our economy, NOT the government. Increase the tax base, NOT taxes. With a federal government overspending at the rate of nearly \$4 Million a minute, mortgaging our children's and our grandchildren's future, we must ensure for them the same opportunities for prosperity that we have enjoyed by standing firmly against out-of-control federal intrusions.

With the challenges we face, it is time for good old-fashioned Utah common sense. “This is a wonderful time to be alive. We’re lucky not to live in pale and timid times. We have been blessed with the opportunity to stand for something.” (Ronald Reagan)
